Sacred Heart Catholic School is an educating community of living witnesses working in partnership with families, inspiring strength through faith and love.

Commitment to Child Safety

All students enrolled at Sacred Heart School, and any visiting children, have a right to feel and be safe. The wellbeing of children in our care will always be our first priority and we have zero tolerance to child abuse.

Message from our Deputy Principal

Dear Parents and Caregivers,

We were truly blessed with beautiful weather conditions last Thursday for our annual Athletic Sports Carnival. All students participated in a wide range of field events during the morning session and then followed up with a fantastic Twilight Running event starting at 5:30pm. The twilight session is a wonderful initiative of our school and dates back many years. Again this year, the turnout of so many parents and friends, including those who could not make the morning session, meant the atmosphere for our students running down the track was almost stadium like and I'm sure all the support and noise certainly drove the students to do their very best!

As in previous years, the highlight of the night certainly was the toddler race. Toddlers as young as two years old charged down the track to rapturous applause. The relays were also a great series of events, showcasing true team camaraderie and encouragement with any drops of the baton quickly followed by a 'It's ok, c'mon, go, go, go' type of scream!

A special thank you to all the parents and friends who volunteered to help during the morning and evening, Bob Mathieson for being our Chief Marching Judge and Chelsea Nicholson for taking amazing photos that capture the fun and excitement of the night. Thank you to our staff as well who once again planned, prepared and led a terrific Athletic Sports Carnival for our school community.

Continued Page 2.

Message from our Deputy Principal (Continued)

Well done to McAuley on winning the overall points in the field events, Geary for winning the most disciplined team and Frayne for winning the marching award.

Congratulations to Darragh Robbins who was presented the Principal Award last week. Darragh has shown confidence and resilience when he joins in a game of soccer with his classmates even though school is still new and there are so many new faces to play with. Well done Darragh!

Best wishes,

Matt Cameron

New Flags at Sacred Heart

Late last year, Xavier Black wrote a letter to Mr. Damian Drum MP for Murray, asking him to consider presenting our school with a new Indigenous flag as our current one had faded and didn't look quite as strong after many years in the wind. Xavier showed great initiative in doing this and we are very thankful he showed a strong passion and commitment for recognising the indigenous people of our area through having a bright new flag flying at the front of the school. Mr. Drum also presented Xavier with a new Australian as well and both will be flying proudly each school day. Well done Xavier!

*Congratulations to Mrs. Heidi Cootes and her husband
Hayden on the safe arrival of a baby boy,
George Charlie Cootes.*

We wish them every blessing at this very special time!

Catholic Identity

2nd Sunday of Lent - Year C

Violet

The 'Transfiguration'

Philippians 3:20-4:1 Psalm 147 Luke 9:28-36

Jesus took his friends Peter, James and John up a steep mountain where they could be alone to pray. As he prayed to God, Jesus appeared to change – his face and clothes shone brilliantly like the sun and dazzled his friends. These rays of light were a glimpse of God's glory and power. What did this show the disciples?

Why is light so important to us?

Prayers for Lent

For the 663 million of our sisters and brothers around the world who do not have access to clean fresh water, that together as a global family we work hard to ensure that this basic human right is upheld in the hope of a better future.

Amen.

For our Indigenous brothers and sisters in countries all over the world, that their traditional cultures are recognised and valued. May we support them to preserve and protect their cultures and our common home.

Amen

Catholic Identity information continued from last week:

Parish Community

Our parish, Sacred Heart Parish Tatura, was formed in the late 19th century when a foundation stone was laid on land donated by Thomas Hogan. Our church and school are still located on Hogan Street. Our parish community is made up of a wide range of people of all ages. As a community, we gather to celebrate Mass each Saturday night at 6pm and every Sunday morning at 9:30am. As a committed Catholic parish, strong bonds exist between all parishioners, many of whom volunteer their time for the benefit of the community.

Prayer Table

Each classroom has their own prayer table. Each prayer table is a sacred space that reflects special intentions or focus points for the class at any given time. The prayer table is an important space with the classroom as it reminds us that we are always in the presence of our God. Prayer tables can be found in all areas within our school where students and families gather together.

Source of Life

Source of Life is the core document relating to Religious Education within the Diocese of Sandhurst and outlines the Religious Education curriculum for F-12. Source of Life provides a clear Religious Education curriculum which students have opportunities to hear, experience and witness the Good News and to respond to the person and message of Jesus.

Pastrol Wellbeing

Let's Promote Wellbeing at Sacred Heart

This Friday, 15th March is National Day of Action Against Bullying (NDA). This is a day across Australia where all schools are being called to action to take a stand against Bullying and Violence.

This year's theme is **"Bullying. No way! Take action everyday!"**

Across the school, classes will be completing different activities to empower our students to be a part of the solution when addressing bullying. It is a great opportunity to focus on bullying and what we can do, as a school community, to further our aim of creating a safe place for everyone.

What is bullying?

The Bullying – No Way website provides a great insight to parents and carers as what constitutes bullying. This website also has some great videos that you can watch to explain what bullying is:

<https://bullyingnoway.gov.au/WhatIsBullying/DefinitionOfBullying>

National definition of bullying for Australian schools

The national definition of bullying for Australian schools says:

Bullying is an ongoing and deliberate misuse of power in relationships through repeated verbal, physical and/or social behaviour that intends to cause physical, social and/or psychological harm. It can involve an individual or a group misusing their power, or perceived power, over one or more persons who feel unable to stop it from happening.

Bullying can happen in person or online, via various digital platforms and devices and it can be obvious (overt) or hidden (covert). Bullying behaviour is repeated, or has the potential to be repeated, over time (for example, through sharing of digital records)

Bullying of any form or for any reason can have immediate, medium and long-term effects on those involved, including bystanders. Single incidents and conflict or fights between equals, whether in person or online, are not defined as bullying.

If your child talks to you about bullying:

1. **Listen** calmly and get the full story.
2. **Reassure** your child that they are not to blame.
3. **Ask** your child what they want to do about it and how you can help.
4. **Visit** www.bullyingnoway.gov.au to find some strategies.
5. **Contact** the school.
6. **Check in** regularly with your child.

On Friday, students in the Pastoral Wellbeing Leadership Team will also be handing out a small collection of information cards (that NDA have supplied) to some parents and students in our school to help promote this National Day of Action against Bullying.

So, this Friday, have a conversation with your children. Find out:

- What did they learn about bullying?
- How can they help be part of the solution?
- What can they do if they/someone they know is being bullied?

If you have any more questions about bullying, please contact your child's teacher/s or myself.

Let's Take a Stand Together!

Thanks Cassie Worm

Administration Notices:

Missing enrolment information

We have a number of students who do not have birth certificates or Baptism certificates (if applicable) and / or immunization certificates. If you have received a note from the office stating this please send in a copy as soon as possible.

Thank you.

DIRECT DEBIT

Families who paid by Direct Debit in 2018 please note that a new Direct Debit form for 2019 needs to be filled in - it does not carry over automatically.

This is a requirement by our Auditors that information is updated each year.

Forms are available on the website or from the office.

LUNCH ORDERS

Parents and caregivers are asked to send the lunch orders through the school not directly to Tatura Hot Bread.

CareMonkey

Parents and caregivers are reminded to keep all details for contacts and students up to date. When changes are made on CareMonkey the administration system is notified and details are also updated there.

New families who have not submitted profiles for their students are asked to do this as soon as possible. All permission notes and important notices are sent to families through the CareMonkey App. Staff have access to details when they are on excursions, camps etc.

SMS Reminder

Parents are reminded not to respond to the SMS sent by the school as it is an automated system.

MEDICATIONS AT SCHOOL

If your child requires medication at school a note identifying the child, class, medication name, dosage, and time to be given needs to be sent to the office.

All medication is dispensed through the office and is signed off on a medication register. If the appropriate permission is not sent with the medication it cannot be given to the student. It is also a good idea to mention to the student's teacher that there is medication at the office and what time it is to be given.

An important reminder

Please notify the school office via a phone call, school app, note or personal visit on the day your child is absent. Teachers will require a written or electronic note as well. Parents will be contacted if their child has an unexplained absence. We ask for your support regarding this important requirement.

NOTICES

Please check the school noticeboard in the quadrangle for any notices that have not been included on the newsletter.

It is the policy of the school that only community and local sports events for children are included in the newsletter.

We acknowledge the Yorta Yorta nation, the traditional custodians of the land on which the school is built, as they have occupied and cared for this country for many generations. We also celebrate their continuing contributions to the life of this region.

Year 6 Learning and Teaching

Last week was an exciting week at Sacred Heart Primary School. On Tuesday it was a very special day because it was the day before Lent which is known as Shrove Tuesday. We had pancakes for a gold coin donation and the money raised went to Caritas.

The next day was Ash Wednesday. In the morning we attended Ash Wednesday Mass and had palm tree ashes crossed on our forehead.

On Thursday it was our school Athletics Day. The events started in the morning with hurdles, long jump, discuss and shotput. After recess we held the long distance races and at 5.30pm we gathered in our colours and marched down to the oval. The sprints and relays were held and the winners of the evening were presented. McAuley won the sports, Frayne won the marching and Geary won the most disciplined award. It was a great day and everyone tried their best.

We have a visiting Teacher Aide in our Year 5/6 classroom. His name is Mr. Brodie. Mr. Brodie is from Benalla, but he now lives in Shepparton. He has worked at many schools and is extremely sporty. He barracks for Essendon, plays football for the Benalla Blacks Panthers and cricket for the Benalla Bushrangers.

"Even though I have only been here for a short time, I have been so welcomed to this amazing school by the staff, parents and of course the students since the day I arrived. I would like to thank everyone for such a warm welcome and I am looking forward to the coming days here at Sacred Heart." Tyler Brodie.

PHONOLOGICAL AWARENESS

FIRST SOUND AWARENESS:

Activity 7: The First Sound Shop:

Set up a shop that sells only things that start with a particular sound. For example: The Mmmm shop sells milk, mice, marbles, marshmallows, mushrooms, matches, monkeys, mugs, mops and maps. Children brainstorm other items and may be encouraged to bring from home items that could be displayed. Try this with other sounds: E.g. b (balls, butter, bags, beetroots etc), or s (sandwiches, soup, sardines, socks etc).

PHONOLOGICAL AWARENESS

FIRST SOUND AWARENESS:

Activity 8: The Food Game:

Watch what you eat! Each child stands and tells the group the name of a food they like that starts with the same sound as their own name. The activity could be extended to include an item they don't like to eat as well. For example, I'm Fiona and I like to eat fish but I don't like to eat frogs.
