Sacred Heart Catholic School is an educating community of living witnesses working in partnership with families, inspiring strength through faith and love.

Commitment to Child Safety

All students enrolled at Sacred Heart School, and any visiting children, have a right to feel and be safe. The wellbeing of children in our care will always be our first priority and we have zero tolerance to child abuse.

Message from our Principal

Peace Prayer of St Francis

Lord, make me an instrument of your peace:

where there is hatred, let me sow love;

where there is injury, pardon;

where there is doubt, faith;

where there is despair, hope;

where there is darkness, light;

where there is sadness, joy.

O divine Master, grant that I may not so much seek

to be consoled as to console,

to be understood as to understand,

to be loved as to love.

For it is in giving that we receive,

it is in pardoning that we are pardoned,

and it is in dying that we are born to eternal life.

Amen.

Dear Parents and Caregivers,

What a wonderful evening we had last Friday! The weather was perfect and the atmosphere great as once again the Sacred Heart community gathered to enjoy the fun of the fete. The night was the culmination of weeks of planning and preparation by a team of dedicated workers who put an enormous effort into making sure everything went off perfectly and they did just that!

Continued Page 2.

Message from our Principal (Continued)

Congratulations and thank you to Maria Spedding and the fete committee. Thank you to everyone who helped in any way to make this evening such a huge success. It was terrific to see lots of new faces helping out too. Thank you also to the many local businesses and sponsors who supported us, for the many donations from families and the generosity of people giving their time to set up and run stalls, and of course thank you to those who came and supported the fete on the night. On behalf of Sacred Heart School, my most sincere thanks to each and every one of you for your contribution in making this such a wonderful social event for our community and a great fundraiser for our school.

Next week we have our Holy Week Liturgies. These are always very meaningful, prayerful reflections prepared and presented by each of the units. We would love parents and friends to join us in the Mercy Centre and [Church on Thursday] and reflect on our most sacred of all Christian celebrations.

This year Sacred Heart School will be one of the many schools sitting NAPLAN Online tests. These tests will have a slightly different format to other years. To ensure that students have had an opportunity to become familiar with the question types in the NAPLAN Online tests and to provide assurance to all stakeholders that NAPLAN Online is ready for 2019, our Year 3 and 5s will sit a coordinated practice NAPLAN test tomorrow. Matt Cameron and Laura Mathieson have been attending Professional Learning days to help prepare students and teachers for the changes and ensure we are ready to participate in this testing format.

Best wishes for the week ahead.

Gospel Reading for this Sunday:

4th Sunday of Lent - Year C

Violet

This Lent, many of our classes have listened to the story of Thandolwayo from Zimbabwe. Thandolwayo's story was the spark for our 1/2s carrying water around the oval and has been a source of inspiration for us as we raise funds for CARITAS through Project Compassion this year. Please take the time to read Thandolwayo's story below.

'Welcome back!!'

2 Corinthians 5:17-19 Psalm 85 Luke 15:1-3, 11b-32

What is Jesus trying to teach us with this story?

*He wants us to know and understand that
whatever we do wrong,
we can always come back to God
and ask for forgiveness.*

God welcomes us back with open arms.

100%

**“The future does have a name...
and its name is hope.”**

– POPE FRANCIS

DETERMINATION

Life in her village in north-western Zimbabwe, wasn't easy for 12 year old Thandolwayo. Every morning she'd walk seven kilometres and risk being attacked by crocodiles as she collected clean water for her grandparents and family. Exhausted from hours fetching and carrying water, she'd then start her day at school.

Thandolwayo's hope to be a nurse seemed almost impossible to realise, until Caritas Hwange helped the village install a solar-powered water system. It's bringing new opportunities, new hope – and a chance for Thandolwayo to concentrate on her education and her future.

Thandolwayo lives with her grandparents and other members of her family in a village of 500 people in the Hwange district of north-western Zimbabwe.

Thandolwayo's grandparents make a living by selling pearl millet bran to fishermen and farmers for animal feed. They also sell chickens - but the income it brings isn't enough to support the family.

Around 72 percent of Zimbabwe's population is living below the poverty line. Thandolwayo's community is also plagued by ongoing droughts, food and water scarcity and poor sanitation.

Every morning before school, Thandolwayo used to walk 3.5 kilometres with the other women and girls to the Gwayi River and back again. Carrying a 5 litre container, she would traverse a rocky, mountainous path to collect water for her family and her teacher.

“Then when we got to the river, we were afraid of being attacked by crocodiles,” Thandolwayo says. “I went to school tired after collecting water and my performance at school was low.”

In 2017, Caritas Australia partnered with Caritas Hwange to help the community to install two solar-powered pumps to draw the water up from the river, as well as two 10,000 litre storage tanks.

Community participation in the project was overwhelming. Both men and women helped by digging and carrying stones, and water tanks. Thandolwayo's grandmother also joined other villagers in participating in Caritas assisted training in health and hygiene skills.

Thanks to Caritas' support, water is now on tap in the village - benefitting the whole community.

Catholic Identity Continued:

"Life has really changed as a result of the tap because now I can bathe every day," says Thandolwayo. "We can wash our plates and clothes regularly. I now go to school feeling fresh. The distance to collect water for the family has been drastically reduced. We now drink clean, safe water and diseases are no longer affecting us". Village health workers say that water-borne diseases have halved, and people in the village are living longer.

There is also a new feeling of hope and positive change in the village. The plentiful water supply has triggered a series of new ventures. Water is being used to mould bricks for building houses and to pound maize to sell. Plans are underway to establish a community garden and a fish pond, to generate an income to assist with school fees.

Your donation can help to transform the lives of children like Thandolwayo.

Pastoral Wellbeing

Let's Promote Wellbeing at Sacred Heart

By Cassie Worm

Over the next two weeks, as part of my role as Pastoral Wellbeing Leader at Sacred Heart, I am conducting a number of surveys relating to our school's PBIS (Positive Behaviour Interventions and Supports). Students, staff and parents will all get an opportunity to have their say about the PBIS approach in our school. We are aiming to gain some extra insight into how we can further enhance this area in and out of school.

I'm not going to write too much about Sacred Heart's PBIS because I would love to find out what you as parents, family and friends already know about it.

The link below can be typed into a web browser to access the survey. Please complete only one survey per person.

https://docs.google.com/forms/d/e/1FAIpQLSekS4g5R7jkWTJ0m7YQkUh1BmRPOkB4PdIoJh3rJESRuGx7A/viewform?usp=sf_link

or alternatively, you can scan the QR Code to access the survey:

If you have any problems accessing the survey, please feel free to contact me in person, by phone or through email (cworm@shtatura.catholic.edu.au).

Thank you for your assistance in finding out more about Sacred Heart School's current PBIS and I hope together as a school community, we will gain some valuable information about the role of PBIS in our school and how we can further improve this focus.

Thanks Cassie Worm

SACRED HEART PARISH SCHOOL FETE 2019

It was fantastic to see everyone come together and enjoy our amazing school fete! Success can be measured in many ways and I believe it was achieved on Friday night simply by taking a look at the event we put on! So congratulations to families and parishioners for contributing in many ways to another successful night!

A BIG THANK YOU to the Fete committee, the activity & stall coordinators and the school staff who were the main drivers having everything ready for the night. And thank you very much to the families and parishioners that donated in hampers, baked cakes, provided bottles, and drinks, etc. So much happened for many months leading up until the event so thank you everyone. The night's success is also due to those that cleaned our gear, set up, did the odd jobs, manned stalls & activities throughout the night and packed up – this is a huge component of our fete so a **BIG THANKYOU** to those involved. As we always say, many hands make light work.

It was also great to see a past teacher, Alexander McKinnon with the GV Pipes & Drums Band for our entertainment. To Mr. Matt Cameron who aptly steered the night as MC, a job well done. And to Debbie as treasurer together with Lou Worm and Trish Warnett for working away in the background on the night, thank you once again.

We would also like to acknowledge all the sponsors and donors of goods & food, vouchers for services and use of equipment. We have an amazing list being compiled, but for this week please see the list below. Stay tuned for all the final additions next week. Please support our sponsors where you can!

To quote our very organised kids activities coordinator, Sharon, "It was a lovely evening and has created beautiful happy memories for us all & our kiddies".

Many thanks to everyone!

Maria Spedding, Fete Committee Chairperson

Children's Chatter Matters

To best prepare our children for the language & learning demands of the school environment, they need ample time and opportunity to engage in meaningful interactions with their family.

PHONOLOGICAL AWARENESS

FINAL SOUND AWARENESS:

Activity 9: I Spy: Identify an object in the room and say I spy with my little eye something that ends with the sound /m/ room, bum, plum, ram, etc. (Make sure to use the sound not the letter name).

This activity can be replicated with other sounds.

PHONOLOGICAL AWARENESS

BLENDING/SEGMENTING

Activity 10: Become a robot leader!

Say this rhyme in a robot voice, sound out simple words, and have your child respond: "I am a robot. Can you help me? Can you tell me what I see? I see a /c/ /a/ /p/."

Encourage your child to repeat the rhyme in "robot talk" and then blend the final word to answer the robot's question.

To make it a segmenting task, the adult says the word and the child breaks it into sounds like a robot.

Foundation Students Important Lesson

The Foundation students had an important talk with Allison, our Crossing Lady earlier this week. The children were reminded about the correct way to use the school crossing. The children listened to Allison as she explained how to cross the road safely!

Administration Notices:

CareMonkey

Parents and caregivers are reminded to keep all details for contacts and students up to date. When changes are made on CareMonkey the administration system is notified and details are also updated there.

New families who have not submitted profiles for their students are asked to do this as soon as possible. All permission notes and important notices are sent to families through the CareMonkey App. Staff have access to details when they are on excursions, camps etc.

SMS Reminder

Parents are reminded not to respond to the SMS sent by the school as it is an automated system.

MEDICATIONS AT SCHOOL

If your child requires medication at school a note identifying the child, class, medication name, dosage, and time to be given needs to be sent to the office.

All medication is dispensed through the office and is signed off on a medication register. If the appropriate permission is not sent with the medication it cannot be given to the student. It is also a good idea to mention to the student's teacher that there is medication at the office and what time it is to be given.

An important reminder

Please notify the school office via a phone call, school app, note or personal visit on the day your child is absent. Teachers will require a written or electronic note as well. Parents will be contacted if their child has an unexplained absence. We ask for your support regarding this important requirement.

NOTICES

Please check the school noticeboard in the quadrangle for any notices that have not been included on the newsletter.

It is the policy of the school that only community and local sports events for children are included in the newsletter.

SHS School APP

Stay connected and download our School App from the App store.

You can access our website, newsletters, school absentee forms, ASC & BSC Cancellations, and receive notifications from us.

School Uniform

School students are expected to wear the summer school uniform (with their hat) in Term 1. Tatura Logos & Promos as well as the Uniform Shop in Corio Street Shepparton are able to supply the complete uniform for Sacred Heart School.

SECONDHAND UNIFORM SALES

Plenty of used school uniform items are available for sale!

Uniforms will be sold each Wednesday morning at 9:00am in the Mercy Centre.

Year 6 Learning and Teaching

When we got to Sovereign Hill we had lunch and had a stretch and play because the bus journey was 3 and a half hours, so you could imagine that we would want to get out and have a run around.

After about 15 minutes we got our bags and put them in the dining room and then split up into our groups and went off for a walk. In my group we had Xavier, Lucca, Gabriel, Lachlan, Caden, and myself.

Year 5/6 Sovereign Hill Camp

This is a photo of the first stop we had on the way to Sovereign Hill at Lake Weeroona, about an hour and a half away from Tatura. We stopped there to have a stretch and our morning tea. There was also a park where we played tiggy and mucked around. Soon after we got back on the bus and started to drive to Ballarat.
