Sacred Heart Catholic School is an educating community of living witnesses working in partnership with families, inspiring strength through faith and love.

Commitment to Child Safety

All students enrolled at Sacred Heart School, and any visiting children, have a right to feel and be safe. The wellbeing of children in our care will always be our first priority and we have zero tolerance to child abuse.

Message from our Principal

Lest We Forget

Dear Parents and Caregivers,

Welcome back to Term 2. I hope you enjoyed the Easter break with your families and were able to take some special time together and enjoy the beautiful weather we had.

It was wonderful to see so many students represent Sacred Heart at the Tatura march on Anzac Day. It makes me very proud to see the respect and honour our younger generation display when they participate in this important day in Australia's story. Thank you and thank you also to our families and staff members who attended the march.

Well done to all students on the way they competed in our school's Annual Cross Country. It was a great day and wonderful to see everyone having a go, even though running that distance was not easy for some. Everyone joined in with a positive attitude and was determined to do their best while encouraging others and cheering them along. Thank you very much to our many parents who volunteered to help with the event and to Matt Cameron for the excellent organisation of the day. We will announce the winning team of the Findlayson Cross Country Trophy and present ribbons to place getters during Friday's assembly. Congratulations to those who qualified for Division Cross Country at Princess Park next week.

Message from our Principal (Continued)

I would like to warmly welcome to our staff Ms. Kathryn Ferguson, who has been appointed as our new Wellbeing Worker. Kathryn will be providing pastoral wellbeing services to support children, their families and staff and will be available every Tuesday and Thursday. We look forward to working with Kathryn and continuing the many excellent programs that the National School Chaplaincy Program allows us to offer.

Don't forget that tomorrow is school photo day. All students are to be in their correct, full winter uniform. [No sports uniforms] If you would like a family photo please collect an envelop from the office.

Sacred Heart Playgroup has begun again. All families of preschoolers are warmly invited to come along on Friday mornings from 9-10:30am. Bring a drink and a snack and feel free to invite anyone you feel may be interested. This is a great opportunity for preschoolers to have fun and meet new friends and for families to meet other parents and carers.

Next Friday 10th May we have a very special morning planned for mums, grandmothers and special people in our children's lives. It will begin at 9:15am with a special Liturgy followed by morning tea and open classrooms. We hope many of you can join us for this lovely celebration.

NAPLAN testing for all students in Year 3 and 5 is taking place on May 14th, 15th and 16th. We had intended to complete NAPLAN Online but after participating in the practise sessions felt this was not the best option for our students this year. All Year 3 and 5 students will be completing the paper tests. If you have any questions or concerns regarding NAPLAN, please contact your classroom teacher.

Year 1/2s enjoyed a lovely day at the Aquarium in Melbourne last week as part of their Inquiry Unit. They spent some valuable learning time and enjoyed a fun day out. Thank you Year 1/2s on your excellent behaviour, to the teachers for organising the day and parents for helping.

The Notre Dame Open Day is on Friday 3rd May, which all our Year 6 students will attend. It is a good reminder to Year 6 parents to be prepared for enrolling in secondary school as this takes place later this term.

Congratulations to Chiara Colombi on winning the Principal's Award last week. Chiara readily involves herself in lots of extra things at Sacred Heart and enthusiastically puts her hand up to offer do the little extras wherever she can. She always greets others in a well mannered, respectful and cheerful way. Well done Chiara!

Best wishes for the week ahead.

From 1st May to the 25th June, collect stickers at Woolworths and drop them into the collection box in the school foyer. Thank you to all families and the school community for supporting our school once again!

'Going Fishing'

Acts 5:27-32, 40-41 Psalm 30 John 21:1-14

What made Peter recognise Jesus that day? Finding their net full of fish after a useless night's fishing was a miracle, and only the Son of God had the power to work such a miracle. Jesus prepared breakfast on the beach to share with his friends. Can you think of a time that we gather together for a special meal where Jesus comes to share himself with us? (The Mass)

PRAYER FOR ANZAC DAY

***O God, our ruler and guide,
In whose hands are the destinies of this and every nation,
We give you thanks for the freedoms we enjoy in this land
And for those who laid down their lives to defend them:
We pray that we and all the people of Australia,
Gratefully remembering their courage and their sacrifice,
May have the grace to live in a spirit of justice, of generosity, and of peace;
Through Jesus Christ our Lord,
Who lives and reigns with you and the Holy Spirit,
One God, for ever and ever.
Amen***

Children's Chatter Matters

To best prepare our children for the language & learning demands of the school environment, they need ample time and opportunity to engage in meaningful interactions with their family.

Vocabulary/Morphology activity:

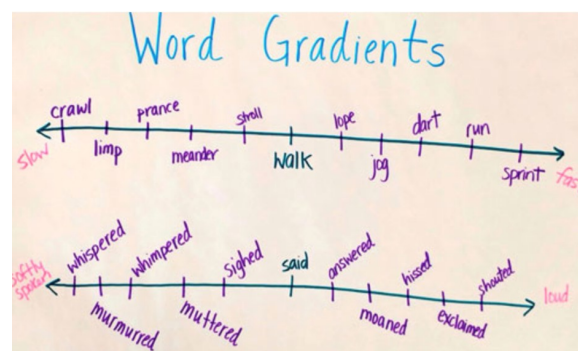

Activity 1: An activity to build vocabulary. Find the synonym or antonym:

If your child has a set of spelling or tricky reading words she's working on this week, you can play games to build the words' meaning. Decide whether the object of the game is to name antonyms or synonyms for the words. Once that is established, one player selects a word. See if you can name at least 2 different words that have the same or different meaning.

For example: humid – muggy. Close, steamy, oppressive, stuffy. Discuss tricky word meanings and try to put them into meaningful sentences. You could use pen and paper, and ask each player to write their words down.

Activity 2: An activity to build vocabulary. Word Gradients:

Word meaning gradients are a way to broaden and deepen students' understanding of related words. The idea is to consider a continuum of words by order of degree. Start by selecting a pair of polar opposite words and generate at least five synonyms for each of the opposite words. For example, hot and cold which may include boiling, scorching, blistering, tepid, lukewarm, cool, chilly, freezing. Ask your child to arrange the words in a way that makes a bridge from one opposite word to the other. Continuums can be done horizontal or vertical, in a ladder-like fashion. Discuss the reasons why they placed certain words in certain locations. Encourage a conversation about the subtle differences among the words.

Has your child got an Art smock for ART class with their name on it?

Art smocks can be:

- New
- Old
- Op shop purchase
- Pre-loved large shirt from a family member

Art smocks are to remain in a tub in the classroom with their name visible i.e. inner tag.

Students are welcome to sift through the collection of art smocks within the Art room to locate theirs from previous years and relocate it to their classroom art smock tub.

If you have any questions, please contact Mr. Hooper in the Art room.

Administration Notices:

CareMonkey

Parents and caregivers are reminded to keep all details for contacts and students up to date. When changes are made on CareMonkey the administration system is notified and details are also updated there.

New families who have not submitted profiles for their students are asked to do this as soon as possible. All permission notes and important notices are sent to families through the CareMonkey App. Staff have access to details when they are on excursions, camps etc.

SMS Reminder

Parents are reminded not to respond to the SMS sent by the school as it is an automated system.

MEDICATIONS AT SCHOOL

If your child requires medication at school a note identifying the child, class, medication name, dosage, and time to be given needs to be sent to the office.

All medication is dispensed through the office and is signed off on a medication register. If the appropriate permission is not sent with the medication it cannot be given to the student. It is also a good idea to mention to the student's teacher that there is medication at the office and what time it is to be given.

An important reminder

Please notify the school office via a phone call, school app, note or personal visit on the day your child is absent. Teachers will require a written or electronic note as well. Parents will be contacted if their child has an unexplained absence. We ask for your support regarding this important requirement.

NOTICES

Please check the school noticeboard in the quadrangle for any notices that have not been included on the newsletter.

It is the policy of the school that only community and local sports events for children are included in the newsletter.
