Sacred Heart Catholic School is an educating community of living witnesses working in partnership with families, inspiring strength through faith and love.

Commitment to Child Safety

All students enrolled at Sacred Heart School, and any visiting children, have a right to feel and be safe. The wellbeing of children in our care will always be our first priority and we have zero tolerance to child abuse.

Message from our Principal

THE FEAST OF THE SACRED HEART OF JESUS

**Dear Lord,
Fill our hearts with your love,
Our lives with your wisdom,
Our Spirit with your faith
Help our hands to care for others
and our actions reflect your mission,
Keep our school a safe place,
As we live in faith and love.
Sacred Heart of Jesus
Pray for us**

Dear Parents and Caregivers,

This week we celebrate **The Feast of the Sacred Heart**, a very special day for Sacred Heart School and Parish. On this day, we celebrate the love of God for us, and in our response, we are called to spread that love in our relationships and by our actions. "God has no other hands but ours to show His love to the world". What a beautiful way to show God's love by our actions in donating to our Winter Appeal. Thank you to all our families for your very kind generosity. We will proudly deliver many much needed winter items to St Vinnie's on behalf of the Sacred Heart community. Our Feast Day will be celebrated with 9:15am Mass on Thursday. Parents are warmly welcome to join us.

Continued Page 2.

Message from our Principal (Continued)

Tonight we have our School Board AGM and we are hoping many parents are able to join us. During the meeting we will thank our retiring Board members, Carmel Basile and Petra De Kelijin for their interest, time and commitment to our school throughout their time on the Board. I particularly would like to thank them both for their support and guidance. We will also welcome Hamish Crawford, Emma Dalton and Trudi Woodward who have accepted a nomination to join our School Board. Following the annual reports of the many happenings at Sacred Heart over the past twelve months we will be treated to a very special performance from The Evening Birds. Supper will follow and it will be a good opportunity for everyone to mix with current and new Board members, other parents and staff while being entertained. We hope many of you can join us.

Today parents will receive student Semester 1 Reports, which highlight the academic, social and emotional achievements of each student over the past two terms. Together we encourage you to celebrate your child's achievements and address any challenges. I would like to take this opportunity to thank staff for the time, effort and professionalism that they have put into writing each report. It is a privilege to read these reports and see the depth of knowledge teachers have about each student.

Student Led Conferences will take place Week 4, Term 3 with the focus on the children sharing Semester 2 goals rather than the Semester 1 reports. If you feel you would like to discuss anything on your child's report please contact their classroom teacher.

Congratulations to all the children who have achieved full attendance at school this semester. This reflects very clearly in your report. We want everyone at Sacred Heart to be his/her best and coming to school each day and on time is very important to that success. We completely understand if children are unwell that school is not the place for them but when good attendance patterns and routines are established early we know what a positive impact this has on your child's well being and future success.

Well done to Lila Plunkett and Harry Cameron who both ran exceptionally well at Regional Cross Country last week. Special congratulations to Lila who qualified for State Cross Country next term. Good luck to our equestrian team, 'Sacred Hearts' who are competing at Elmore Equestrian Club Barastoc Interschools Qualifier during the school holidays. Amelia Petrie [Yr. 4], Eliza Abrahams [Yr. 2] and Sarah Abrahams [Foundation] are representing our school. All the best girls! It is so good to see so many of our students shining and enjoying the many wonderful opportunities available to them.

Congratulations to Olivia Mallon who won the Principal's Award last week. Olivia is a positive influence on others in the classroom and in the school yard. She's patient and kind, hard working and very engaged in her learning. Olivia displays our four PBIS expectations each and every day.

We wish Ms. Kath O'Sullivan all the best as she takes some well earned long service leave next term and welcome back Mrs. Brenda Mason who will be teaching FO'S for the first two weeks of Term 3.

I will also be taking leave for the first four weeks of Term 3. I know that the school leadership team, led by Mr. Matt Cameron as Acting Principal, will ensure a smooth start to the new term.

Friday is the last day of term. Assembly will take place at 9:10am and dismissal will be 2:30pm. Children return to school on Monday 15th July. Have a safe and happy holiday.

Pauline Hindson, Principal

Assembly: Last Day of Term 2

Thirteenth Sunday in Ordinary Time, Year C

'Will you follow Jesus?'

Green

1 Kings 19:16b, 19-21 Psalm 16 Galatians 5:1, 13-15 Luke 9:57-62

Has anyone ever promised that they will come with you and then they have gone and done something else instead? How did that make you feel? Jesus wants to share his love and his message with anyone who makes him welcome. He knew that he would need help to take this message of God's love to people throughout the world, and he needed people who would be reliable. Jesus doesn't punish anyone who does not receive him, but he

wants them to know exactly what he is asking of them. When people say they wish to follow him, he wants them to do it with their whole hearts and not look back. What is Jesus saying to us today about the place that he holds in our lives?

Feast of the Sacred Heart prayer:

Loving God,

We honour the heart of Jesus, your beloved Son. We remember how he opened his heart in love to all people. Open our own hearts to receive the gifts that continue to flow so richly from the Heart of Christ, who lives with you in the unity of the Holy Spirit.

Amen.

Regional Cross Country at Winton

On June 19th, Harry Cameron and Lila Plunkett competed in the Regional Cross Country Championships at Winton Motor Raceway, for the chance to go to the State Cross Country Finals in Melbourne.

When Harry and Lila arrived, they got ready to run their races. Harry and the rest of the 9-10 boys ran first at 10:30am. Lila and the 9-10 girls took off five minutes after the boys, both running on the muddy grass and wet, slippery racetrack.

The 2 km race was very eventful. Many competitors got injured during the race with twisted ankles, slips on the wet track and getting stuck ankle deep in massive mud puddles! Reaching the end of the course, all the supporters had lined up at the edge of the track, cheering them on.

The top 12 placed runners moved onto state level in Melbourne. Both students ran fantastic races, with Lila moving onto state level by coming 5th in her race. Harry finished in 15th place, three places off getting into state final.

Overall, it was a very tiring day, but both Lila and Harry were pleased with their results. We wish Lila all the very best in the State final later on in the year!

Fete Suggestion Box

There is a suggestion box in the school foyer until the end of Term 2 for families and parishioners to put forward ideas & suggestions for the future direction of the fete.

Possible fete suggestions may include:

- How can we improve on family engagement in organising a part of the fete or participating on the night?
- Would an online booking system work better for the fete event roster?
- What new idea do you have that you would like to see at the fete?
- What improvements can be made?
- Do we sustain the fete event every year or have a different parish & school fundraiser on the off year?

We ask that any suggestions have a contact name so that ideas & suggestions may be discussed or clarified. Following the suggestion box, further consultation with the school community will take place some time in Term 3. Thankyou for your support

Administration Notices (repeat notices):

CareMonkey

Parents and caregivers are reminded to keep all details for contacts and students up to date. When changes are made on CareMonkey the administration system is notified and details are also updated there.

New families who have not submitted profiles for their students are asked to do this as soon as possible. All permission notes and important notices are sent to families through the CareMonkey App. Staff have access to details when they are on excursions, camps etc.

MEDICATIONS AT SCHOOL

If your child requires medication at school a note identifying the child, class, medication name, dosage, and time to be given needs to be sent to the office. The medication should be in the original container.

All medication is dispensed through the office and is signed off on a medication register. If the appropriate permission is not sent with the medication it cannot be given to the student. It is also a good idea to mention to the student's teacher that there is medication at the office and what time it is to be given.

An important reminder

Please notify the school office via a phone call, school app, note or personal visit on the day your child is absent. Teachers will require a written or electronic note as well. Parents will be contacted if their child has an unexplained absence. We ask for your support regarding this important requirement.

UNWELL CHILDREN

If your child is not well please keep them at home. It is not fair to expect a child who is unwell to participate in learning activities and we are also conscious of them spreading their illness throughout the class.

SMS Reminder

Parents are reminded not to respond to the SMS sent by the school as it is an automated system.

NOTICES

Please check the school noticeboard in the quadrangle for any notices that have not been included on the newsletter.

It is the policy of the school that only community and local sports events for children are included in the newsletter.

Nationally Consistent Collection of Data (NCCD) On School Students with Disability

What is the Nationally Consistent Collection of Data?

Schools must now complete the *Nationally Consistent Collection of Data on School Students with Disability (NCCD)* every year. It counts the number of students who receive additional adjustments or “help” at school because of a disability. The NCCD helps governments plan for the needs of students with disability.

Who is counted in the data collection?

To count a student in the NCCD, schools must think through some key questions:

1. Is the student getting help at school so that they can take part in education on the same basis as other students?
2. Is the help given because of a disability? The word ‘disability’ comes from the [Disability Discrimination Act 1992](#) (DDA) and it can include many students?
3. Has the school talked to you or your child about the help that they provide?
4. Has the school kept records about the help they provide, the student needs and the reasons that the student needs this help? The school will need to keep copies of tests, student work, assessments, records of meetings, medical reports or other paperwork and information about how the student’s learning is moving along over time?

Once the school decides that the student should be counted in the NCCD, they then choose a disability group and one of four levels of help that has been given to the student.

What does word ‘disability’ mean in the NCCD?

In the NCCD the word ‘disability’ comes from the [Disability Discrimination Act 1992](#) (DDA). There are four types of disability that the school can choose from; sensory, cognitive, social-emotional and physical.

Many students that need help at school can be counted in the NCCD. For example, students with learning problems, e.g. specific learning disability or reading difficulty (sometimes called dyslexia), health problems (e.g. epilepsy or diabetes), physical disability (e.g. cerebral palsy), vision/hearing loss and social-emotional problems (e.g. selective mutism, Autism Spectrum Disorder, anxiety).

Letters from doctors or specialists can be very helpful for schools as they plan how to support students with their learning. Schools do not need to have these letters before they can count a

student in NCCD. Teachers can use all that they know about the child's learning and the records that they have collected over time to decide if a student can be counted in the NCCD.

What sort of help does the school give students?

Students need different types of help at school. Some students need a little help sometimes while other students need a lot of help nearly all the time. The type of help given depends on the needs of the student. The help can include changes to the school buildings or grounds (e.g. ramps or things like special desks or chairs), extra teacher help in classes, special learning programs, changes to the work they give the student or extra adult help.

How will the NCCD be different this year?

All schools have been counting students in the NCCD since 2015. The government will use the NCCD data as part of the funding to schools.

What will the school need to know about my child for the NCCD?

Schools work together with families to understand the needs of each child. It is helpful if families give their child's teacher a copy of any letters or reports they have. The letters or reports will help the school understand the child and the help that they might need. Letters from doctors, psychologists, speech pathologists, doctor, and occupational therapists etc. can be very helpful for schools. These reports along with information that the teacher has (i.e. school based tests, your child's work and learning plans) helps the school to understand and meet the student's needs.

What happens to the NCCD data? Who will have the NCCD information?

Each school principal must check the NCCD data in August of each year. The school will give the information to the Catholic Education Office. The school will work with the Catholic Education Office to make sure that the NCCD data is OK before they give the data to the government. The government will not be given the names of any students or any letters or records. Please ask your school for their privacy policy if you need to know more.

Does the school need me to agree with them about counting my child in the NCCD?

Amendments were made to the [Australian Education Act 2013](#) and [Australian Education Regulation 2013](#). Schools do not need you to agree to let them count a child in the NCCD. You cannot ask the school not to count your child.

Where can I find out more?

Please contact your child's school if you have further questions about the NCCD and/or refer to the national [NCCD Portal](#).
