

School iPad Deployment for Learning at Home during school closure

iPad Acceptable Use Agreement

Physical Property (Parent and Student)

- Food or drink is not to be near iPads.
- iPads should always be handled with respect and care.
- iPads and covers are not to be written on or to have stickers applied to them.
- iPad covers are not to be removed under any circumstance

Appropriate Use of iPads at Home (Students/ Parents)

- The goal of the iPad being taken home is to ensure each student is able to complete any school related work at home. It is a learning device, not a toy.
- The student iPad is for school work and is not to be used for the playing of games or private use. This includes taking the iPad on holidays, trips away or any other location that does not specifically relate to the learning taking place in the classroom.
- Students are expected to charge their iPads at home using a charger purchased by their parent. Students are able to use a previously purchased charger (e.g. from an iPhone).
- iPads are only to be used in a shared place in the house - not bedrooms.
- iPads are for student use only. They are not to be used by siblings.
- The downloading of music files, video files, games, is absolutely prohibited.
- Parents are advised to supervise their children's Internet use and regularly check websites their child has visited, including viewing recent histories.
- Histories are not to be deleted. A deleted history will be seen as a sign of inappropriate use.
- Movies, music and any other copyright restricted material may not be placed on the iPads or downloaded to the iPads from the Internet.
- Students must not share any personal information about themselves or others, including photographs or footage from which features might be identified, on the Internet using the iPad.

Consequences

The physical and operational condition of each iPad has been checked prior to being made available to families during this time.

During the Learning at Home due to school closure period the parent/caregiver is solely responsible for:

- Returning the iPad in exactly the same condition
- Responsible use of the iPad. SHS students know the behaviour expectations when using iPads. SHS takes no responsibility for any behaviour / actions during this time.

In the event of repairs due to damage to the iPad and/or the need to replace the iPad relating to use during the Learning at Home due to school closure time:

- The cost associated with either repairs or replacement are the sole responsibility of the parent/caregiver
