

May 26th, 2020

Dear parents and guardians,

It was wonderful to see our F-2 students all back at school today coming through the front doors with smiling faces, happy to see their friends and teachers again. We are really looking forward to 3-6 joining us in two weeks.

I would like to reassure parents that the School Cleaning Checklist has been reviewed and adjustments have been made to the daily cleaning and disinfecting of high touch areas, playground and equipment, classroom resources and furniture.

We have also had to put in some other measures in place to help keep us all safe and healthy.

- Daily readers and library books will not be sent home for the time being. Class teachers are making other reading arrangements.
- All children will need to bring their own drink bottles. They are not refilling so please ensure they pack enough water for the day.
- Please provide a rubbish free lunch. This will ensure children are not using bins unnecessarily. Children will bring home any papers, food scraps etc in their lunchboxes
- Please make sure your child's Art Smock is at school. Shared classroom supplies will not be available.

Thank you for your cooperation. These little things will help make it easier for staff to take care of your children.

Regards

Pauline Hindson
