

2nd August, 2020

Dear Parents, Guardians and Carers

The Hon. Daniel Andrews MP, Premier of Victoria today announced the reintroduction of Stage 3 Restrictions for Regional Victoria and we find ourselves preparing for the implementation of Remote Learning once again.

This is the information I have to date.

- Tomorrow is scheduled to be a normal school day.
- Tuesday (4th August) is a pupil free day for all children at Sacred Heart as teachers prepare for the next 6 weeks of Remote Learning
- From Wednesday 5th August, Remote Learning is in place for all students.

We will communicate further information with you as we soon as we receive it from the Victorian Education Department and Catholic Education Office.

We look forward to seeing all the children at school tomorrow.

Take care,

Pauline Hindson
Principal
