

## School Uniform Policy

### Rationale

The purpose of this Policy reinforces in students a pride in their own appearance, instils recognition of themselves as an integral part of the school community and assists in developing pride in representing their school. Issues of health and safety also contributes to the establishment of the Uniform Policy.

### Aim

This policy aims to:

- further develop a sense of pride in, belonging to Sacred Heart Primary School Tatura.
- provide durable clothing that is cost effective and practical for our school environment.
- maintain and enhance the positive image of the school in the community.
- incorporate elements required for reasons of health and safety.
- be easily identifiable as members of Sacred Heart Primary School Tatura when out of school grounds.

### Implementation

The Uniform Policy applies during school hours, while travelling to and from school, and when students are on school excursions. This may be waived on some occasions at the Principal's discretion.

A copy of this Policy will be made available to the school community upon enrolment, on the school website and within the Parent Access Module.
