Sacred Heart School Uniform Guide

Out of uniform procedure

- All parents should provide a note, email (or complete the out of uniform form on the website) to their child's classroom teacher explaining the reason for their child being out of uniform.
- Parents will receive a notification if their child has presented at school out of uniform without a note/email/ completed form
- The expectation is that this would be rectified as soon as possible.
- If a student presents at school out of uniform consistently without a note, email or completed form, parents will be invited to attend a meeting to rectify this situation.

Additional Notes

School bags with logo are optional.

**Parents with children who have sensory issues should discuss uniform requirements with their child's classroom teacher and the Learner Diversity Leader. Some adjustments to the uniform may be needed to support these students.

If any assistance (financial) is required for uniform, parents should communicate this to a member of the wellbeing team or their child's classroom teacher.
